FIGHT IN CLASSROOM

Jeff High Knifing Victim 'Critical,' Assailant Jailed

A fight between two 16-year-old Jefferson High School sophomores culminated in a stabbing Wednesday morning.

John Rowley argued with Barry Delfino over possession of a pair of pliers while the boys were in an electrical shop class. After the bell ended the period their disagreement continued in the hall.

According to School District Superintendent Edward Morgan, Rowley then flashed a four-inch standard type pocket knife and stuck it in Delfino's back.

Rowley fled outside the building with the other youth in hot pursuit. Delfino later explained that he didn't yet know of his injury.

However, as the wounded youth sped after his assailant Rowley tripped and Delfino saw the blood-covered knife fall from his hand. He asked Rowley if he had stabbed him and upon receiving an affirmative reply he ran to the building in search of treatment.

Delfino was rushed to Junipero Serra Hospital where it was determined that he may have incurred a punctured lung. Later he was taken to St. Mary's Hospital in San Francisco for further observation. It is reported that his condition may be serious.

Rowley was booked for assault with a deadly weapon by Daly City police and juvenile authorities. They discovered that he has been in the school only since March 17.

INVESTIGATION BRINGS ARREST OF D.C. WOMAN

Encouraging and permitting alleged delinquent acts of minors in her home were the charges causing the recent arrest of Mrs. Oleta C. Ruffer, according to Daly City police.

Assistant Chief Roy McLaren stated that a lengthy investigation of the 36-year-old former dancer, who lived at 189 Alexander street and now resides at 1692 15th street, San Francisco, was made by Officer Phillip LaBruzzo and other members of the force.

This resulted in a report citing five specific instances in which Mrs. Ruffer permitted minors to violate the law in her presence.

Also mentioned were cases in which she let teenagers of both sexes partake of alcohol in her presence, allowed them to use narcotics and encouraged their lewd behavior.

This is Mrs. Ruffer's second arrest in Daly City. In November of 1956 she was booked for trial and found guilty of harboring a runaway juvenile girl in her home. She was placed on a long probation which ended only recently.

Mrs. Ruffer's trial is scheduled for April 23 in Redwood City Superior Court.

Four-Year-Old Injured In Head-On Crash

A boy was injured when two cars collided head on at the intersection of Skyline boulevard and Westmoor avenue last Saturday evening.

Four-year-old John Busenbark, 748 Avalon drive, Sharp Park, was taken to Junipero Serra Hospital for treatment and observation as a result of the accident.

The vehicles involved were a 1947 two-door sedan, driven by John's father, Duane L. Busenbark, and a 1957 four-door sedan driven by Joseph Dieterle, 520 Skyline drive.

Busenbark claimed that after entering the intersection he was blinded by the sun. Thus he failed to see the approaching sedan.

According to Dieterle's statement, he had stopped his car for the light and proceeded into the intersection after it changed.

Officer Richard Sims cited Dieterle for improperly entering an intersection controlled by a yield sign.

NEW PRESIDENT

DC's Stratton Heads State Education Unit

One of the highest state education honors has been bestowed upon Dr. Vinton Stratton, assistant superintendent of Jefferson Elementary School District.

The 44-year-old educator was elected president of the California Elementary School Administrators Association during its recent four-day annual meeting in San Diego. Some 2400 delegates attended the conference. The association has a membership of 3000 school administrators.

Stratton, who resides at 195 South Mayfair avenue, has been with the Daly City school district since August of 1957. He is director of curriculum and instruction.

Stratton had served as second vice president of the CESAA and is a past president of the Bay Area Section of the statewide unit. His term as president covers the 1959-60 school year.

Born in Denver, Colorado, Stratton attended elementary and high school in Oakland, California. He spent his first two years of college at University of California (lettering in boxing and soccer), then transferred to College of Pacific where he received his B.A. degree in 1941. He received his master's and doctorate in education at Stanford University.

His experience includes teaching, adult night school at Tracy High, grades four through eight in the San Jose public schools, and 11 years as elementary school principal in San Jose.

Stratton, during his stay in San Jose, taught and supervised student teachers for Stanford and San Jose State College. He has authored several articles for professional education magazines and journals.

He has two children, both students at Westmoor High School here. Scott, 17, is a senior, and Bonnie, 16, is a Westmoor sophomore.

D.C. PARKING METERS STILL 5c -- NOT 10c

Shelby Ross, in charge of Daly City's parking meters, reminded today that the meter rate here is still 5 cents and not 10 cents as in San Francisco.

"Quite a few people here are putting dimes into our meters, perhaps thinking that this is the fee," Ross declared. "We still ask only 5 cents and those who put 10 cents in our meters actually are wasting their money."

Ross pointed out that the 10-cent pieces do not register on the DC meters, thus these people usually lose the dimes to the meter and get no time credit on the dial indicators.

Ross also noted that many people might be depositing dimes in the local meters because they lack the 5 cents or pennies.

"People who park in our meter zones regularly should always try to have pennies and nickels with them. Dimes just don't count," he said.

Exploding .22 Shell Injures 12-Year-Old

An exploding .22 shell caused a serious finger injury to 12-year-old Larry Patton of 60 Ocean Grove avenue.

Patton had been tapping on the end of the bullet, which had neither powder nor head in it, with a nail when the primer exploded. This caused an injury to his left middle finger which required stitches at Junipero Serra Hospital.

The youth reports that he found the shell in the Chinese Cemetery.

Mayor Sets City's 'Salute To NATO'

Mayor Michael DeBernardi by official proclamation has designated this Saturday, April 4, as the day for Daly City residents to join in the national "Salute To NATO."

The North Atlantic Treaty was signed on April 4, 1949, to safeguard the freedom and integrity of the 15 member nations of the North Atlantic Treaty Organization.

The mayor urges all citizens to "study more fully NATO's role as their shield of freedom."

Leukemia Takes Life Of DC Boy

Funeral services were held Wednesday morning at Lasswell's Mortuary for Michael Jimenez, nine-year-old Daly City leukemia victim.

Michael died Sunday morning in Moffett Hospital after an unsuccessful struggle against the disease in which he was generously aided by the blood contributions of many people in response to a campaign inspired by The Record.

Mrs. Mary Jimenez, his mother, asked the newspaper to convey "my deepest thanks to all the friends and neighbors who attempted to help Michael and especially to the 30 anonymous Marines who answered the call with their blood."

Survivors include Mr. and Mrs. Manuel Jimenez, 1056 Brunswick street, and their children, Margaret, Manuel Jr., and Mathew. Michael's loss will also be deeply felt by his friends and teachers at General Pershing School.

Burial was in Holy Cross Cemetery.

SIGNAL light modifications at the intersection of San Jose avenue and Mission street are moving rapidly. The workmen are stringing new multi-colored wires which will control the system. This is one phase of the top-of-the-hill project which includes new traffic signals at the Knowles and Hillside intersections with Mission. THE RECORD photo

MONTH-LONG EFFORT

PAL 'Week' To Top City-Wide Drive For Funds

An official Daly City Police Athletic League "week" starting April 20 will climax the month-long fund drive for the youth organization, according to Tom Bocci Jr., PAL finance committee chairman.

Bocci stated that between \$8000 and \$10,000 are needed to meet the operational expenses which PAL will incur in its many athletic and entertainment activities.

To this end, Martin Leit, 554 Skyline drive, has been named fund-drive chairman in Westlake. Further efforts are being made through a letter circulated to all Daly City businessmen which announces the sale of sustaining PAL memberships for \$100 and associate affiliations for \$50.

One of the chief expenses which this money will cover, according to Bocci, is the purchase of uniforms for the 30 league teams which PAL is fielding.

It has been asked that those interested in contributing mail their donations to the Police Athletic League of Daly City, 75 Wellington avenue, Daly City.

Anyone interested in assisting to raise funds should call Leit at PL 5-2548 any time after 1:30 p.m.

WESTLAKE STORE IS VICTIM OF BURGLARY TRY

A burglary attempt was made at the New Westlake Market, 555 Knowles avenue, sometime between last Wednesday night and Thursday morning.

According to Officer David Johnstone of the Daly City police, investigation showed that an attempt was made to gain entrance to the store by removing the metal frame from a glass window at the front of the building.

The would-be burglars had nearly removed the frame from a two foot by four foot window before, apparently, an unexpected event caused them to flee.

His assailants, whom he knew only as Dick and Hugh, escaped in the direction of Pacifica on the Edgemoor freeway.

Arnold wandered in a dazed condition until he was given a ride by a passing motorist.

When questioned by police he told them that he had met the young men in a bar on the pre-

FOR SCHOLARSHIP

Chamber To Honor 5 High Schoolers Here

The Daly City Chamber of Commerce will honor five outstanding Jefferson High School District students in an awards ceremony and dinner on Thursday night, April 16, at Westlake Joe's restaurant.

This announcement came today from Ted Harris, Chamber president, who said the ceremony might become an annual affair in recognition of "outstanding work in the academic field" by students who "unfortunately lack the 'grand stand' applause for work well done."

The five students, to be selected by District Supt. Ed Morgan and Principals John Morgan (Jefferson) and Glenn South (Westmoor), will be introduced, cited for their particular achievements, and presented with a certificate or plaque.

The students will be picked for outstanding work in five separate fields—math, science, vocational arts, language arts and fine arts.

Parents of the five students, all chamber members and their wives, the school superintendent and the two principals, and other interested citizens will participate in the big evening. The program begins at 7 p.m.

The project was initiated by the chamber through member Elio Fontana, chairman of the high school district board of trustees.

POLITICS AND THREATS?

Group Claims Board 'Wrong' On Teachers

John Pfeiffer, chairman of the Serve-Our-Schools committee, announced today the names of the complete five-member SOS-appointed unit which will screen candidates for the Jefferson Elementary School District board of trustees.

TRUSTEE RACE LINEUPS ARE STILL STATIC

With the deadline only two weeks away, no new candidates have turned up yet for the Jefferson elementary and high school May 19 trustee elections.

Closing date for filing is April 17. Contestants in the elementary district are incumbent Joseph Lewkowitz and Don Lesher, while a sure outcome looms in the high school district where James Cooper is the lone contender for the vacant post.

Bayshore has added a new candidate to its list. Bruce H. Aydelott, 179 Acacia street, San Francisco, is now in the race along with Ferdinand J. King, incumbent; David G. Barry, incumbent; and Lila A. Nye.

According to the office of county superintendent of schools, Laguna Salada Elementary District so far has Robert T. Hale, incumbent; William Kessinger, incumbent; and Margaret Moseley in competition for the posts.

The Brisbane Elementary District situation remains unchanged with six candidates in the running. They are Ellen I. Bhend, incumbent; Margaret M. Galten, incumbent; Sidney M. McCullum, Nancy M. Moritz, William Jones and Michael G. Nagy, incumbent.

Four of the five members of the screening committee were those who earlier had been selected by the Jefferson Classroom Teachers Association. The association last week withdrew from its efforts to appoint a screening group.

The teachers withdrew, according to Charles White, president of their association, because of "implied threats" from the school board. The school board members deny this charge and believe that the teachers should not be involved in any matter that might involve controversy in the community.

"The SOS Committee," Pfeiffer said, "stepped into the void and won the cooperation of the four screening committee members picked by the teachers, and have added one member of its own selection."

Pfeiffer continued, "The SOS Committee believes this outstanding group of individuals to be of the highest caliber possible. They will select the best two candidates possible to run for the school board. The committee is completely free to ask such questions as it may desire from any prospective candidates and to establish its own criteria for its final decision."

"The SOS Committee has complete faith in the individuals comprising the screening committee and pledges its wholehearted support to the candidates the screening committee selects," Pfeiffer went on.

Man Beaten, Robbed Of Wallet, \$25

A man was robbed and beaten here by two unidentified thugs who posed as "friendly tourists."

Raymond Arthur Arnold Jr., 120 Ellis street, San Francisco, was showing the two men around San Francisco and vicinity when they struck him from behind at the old hog ranch off Edgemoor road and took his wallet which contained about \$25 and valuable papers.

The attack occurred at about 5:30 on Friday morning. After being struck, Arnold pretended he was unconscious to save himself from any further beating.

His assailants, whom he knew only as Dick and Hugh, escaped in the direction of Pacifica on the Edgemoor freeway.

Arnold wandered in a dazed condition until he was given a ride by a passing motorist.

When questioned by police he told them that he had met the young men in a bar on the pre-

Youth Struck And Injured By Taxicab

A taxicab struck and injured a 13-year-old boy Friday night at the intersection of Junipero Serra boulevard and 90th street.

Glynn L. Ballard, 15 San Pedro road, Colma, stated that he was wheeling his bicycle in a crosswalk when the accident occurred. "Several ears had stopped for me," he said, "and when I saw the taxi I thought that it would too."

However the cab hit the boy, breaking his right thigh and causing other bruises and abrasions.

Police investigation showed that Ballard's story conflicted with that of the driver, Larry Lee Cannon, of 83 Eastgate drive. The cabby said that he had no chance to see the boy. Police reports show that this is also the view of other witnesses.

Further investigation is planned due to the fact that none of the statements tally concerning the point of impact, which direction the injured boy was going and whether he was walking or riding his bike at the time.

W'LAKE ASSN. CITES NEEDS IN NEW UNIT

By unanimous vote, directors of the Westlake Subdivisions Improvement Association Monday night passed a resolution demanding that builder Henry Doelger make provisions for park, playground and school facilities in Westlake Unit No. 11 west of Skyline boulevard.

The WSIA board took the action after carefully checking Doelger's plans for the new unit. There are no provisions in these plans for a park, playground or school, according to a WSIA spokesman.

The association said that as the representative of the people of Westlake and future homeowners in Unit 11 that its resolution was completely justified and was made in the best interests of the people in this area.

Informed of the WSIA resolution, City Manager George Watts said that Doelger's tentative map on Unit 11 is still under study by the planning commission. He said the council definitely was working for adequate park, playground and school facilities in the new development and that Doelger and the city are pushing a proposed boundary change with Pacifica so that these facilities could be realized to the mutual advantage of both communities.

Doelger has provisions for three school sites in his Westmont development in Pacifica. If the boundary change is worked out, Watts said Unit 11 would be extended south and these facilities could be provided. This agreement with Pacifica also would provide both cities with better municipal services in the new west-of-Skyline developments.

Charter Study Group To Hear Two Experts

(Continued from Page 1)

At an earlier meeting, the group heard Paul Hupf, city attorney, give a report on the legal aspects of charter operation and George Watts, city manager, answered questions.

Committee members include Mrs. Woods, Edward Molkenbuer Jr., vice-chairman; Peter Markovich, Walter Gillies, Joseph Schultz, Don Leshner, Don Gordon, John Drye and Joseph Bonavito.

YWCA Offers Tennis Classes At Olympic Club

One of the Bay Area's outstanding tennis professionals, Ed Randall, will instruct the classes. There will be class groupings for both beginning and experienced tennis players. Classes will begin at 1 p.m. each Wednesday afternoon, and enrollment will be limited to four persons for each half hour of instruction. In addition, there will be practice time.

There will be an \$8 fee for the six-week course. Advance registration is necessary and may be made now by calling the YWCA local office, PL 6-7370.

LIONS SELECT JUDGES FOR ART EXHIBIT

(Continued from Page 1)

High school students compete in group six. Their honors in the pictorial and crafts divisions will be made up of one cup, one plaque and four ribbons, while the best photographic efforts are to receive one cup, one plaque and three ribbons.

First award is the grand prize, a 12-inch gold cup, which is to be given to the show's top entry, regardless of group or class.

Cups will be gold and eight inches in diameter, according to the Lions' prize committee. Plaques are bronze, mounted on wood and blue ribbons will be used. All awards will be inscribed with the show's name and the year.

Over a thousand people are expected to view the youngsters' artistic creations. According to Henry Z. Weibel, general committee chairman, a great deal of work is being done to make the show a success by teachers, parents, children and Lions Club members.

Six committees were formed by the club for this purpose. There is a general committee containing Weibel, Elio Fontana, Cliff Lipson, Mel Battye, Lylal Ingersoll and Stanford Hannah. General planning and equipment transportation are both under their direction.

Next comes the hall committee made up of Vince Murphy, Ray Logan and Joe Long. They handle the entrance display, booths and the floor display.

An exhibit protection committee has been formed to guard and protect the art work. Members are Roland Petrocci, Ed Byrne, Ed Dennis Jr., David Friedenberg and the Rev. J. Richard Friedline.

Selection of the judges was made by Elio Fontana, John Putkey, Louis Pisani, Merle Westmoreland and Frank Vortatz.

Prizes were under the direction of Ray Charette, Ray Lagomarsino and Fred Goodell. Advertising and publicity are in the hands of Sam Felsner, Roy Arneson, Harry Carusis, John Ferrari, Joe Lewkowicz and Robert Berman.

In commenting on the show, Weibel said, "A great deal of effort has gone into this fine activity. In the past we have had such world famous personalities as Beniamino Buffano associated with the show. This year we are again expecting a stimulating display of work which should make this one of the major events of the year in Daly City."

WEEKLY REPORT

'Four Spares' Win Holy Angels Momm's Loop At Swanson's Bowl

The Holy Angels Mothers Guild League, first to be started after the opening of Swanson's Westlake Bowl, draws to a close this week with the winning team already determined. The Four Spares team is far enough out in front that none of the others can catch them during the last week of league play.

This league, formed about 99 percent from girls who had never bowled prior to the opening of Westlake Bowl, will take a week off, then start another larger league on April 14. Members of the winning team are Dot Burchfield, Myrt Giacchino, Nita Delfino, and Mae Silvestri. Bowling every Tuesday morning for the past three months, the girls have developed some excellent averages during the short period they have been competing.

Steve Funai, bowling in the Intermediate group of the American Junior Bowling Congress leagues on Saturday mornings, again led the pack with a 175 game and a 488 series. Susan Sherman, Daly City-Colma Girl Scouts League, was a double winner also with a game of 163 and 290 series for two games. The eight-to-twelve year age bracket, which includes the two Bantam Leagues, is drawing to a close, with a playoff scheduled between the winners of the two groups. Last week's leaders in Bantam League Number One were Joann Pollat with a 141 game and Bill Thompson with a two-game score of 262.

In Bantam Number Two, Alice Haight led the group with a 144 game and Bob Groat's two-game series of 267 took honors in that department. Two-hundred games are becoming common in the evening leagues as the adults continue.

His home is in Ogden, Utah, where he was recently arrested for smashing a car which he had stolen.

According to Rowley, he is staying here with Mrs. Gerald Reed, a friend of his, who lives at 98 Marshall Way. Rowley attended Jefferson High during 1957. At that time he was here with his parents. His father, R. N. Rowley, is reportedly employed as a construction engineer in Ogden.

In the same league, Copperwood Lodge took three games from Westlake Lodge.

He reported that the suspects drove a 1949-50 Mercury four-door sedan which was blue green in color and had, he thought, an out-of-state license.

Strange Man In Uniform Attacks Woman

An unidentified uniformed man attacked a Daly City woman in her home last Thursday morning.

Mrs. Rosa Vergara, 300 Evergreen avenue, told police that a stranger, "Dressed like a postman or messenger," rang her doorbell. When she opened the door to speak to him he shoved her to the floor and made a threatening advance toward her.

Frightened, she screamed for her cousin who was sleeping in a back room. When the cousin responded the intruder fled.

Mrs. Vergara described the man as about 35-years-old, having light brown eyes, dark brown hair and weighing 180 pounds.

She told police that the stranger has attacked her on two other occasions, one six months ago in front of her house and two months ago in her garage.

'SOS' Group Vs. Lewkowicz On Policy

(Continued from Page 1)

committee plans two screening sessions — Wednesday and Thursday evenings, April 8 and 9. The location of these sessions will be announced later with potential candidates receiving personal notification, Pfeiffer said.

Pfeiffer added that potential candidates should remember that the last day for filing their statements of candidacy is April 17 and the screening committee must have completed its work substantially before this date.

Pfeiffer said he hoped trustee chairman Joseph Lewkowicz would appear before the screening committee.

Lewkowicz, seeking his third three-year term as trustee in the May 19 election, in a prepared statement last week declared that it was the school board's policy that "political controversy interferes with the smooth functioning of school district affairs and for this reason the board prefers school employees to remain aloof from any political activity which might develop into controversy." He cited the minutes of a 1950 board meeting.

Pfeiffer and his group, however, claim that "a determined search of minutes and other documents of the school board fails to reveal any such policy whatsoever."

Pfeiffer said this latter statement was made "solely in defense of White and his teachers' association, who have been put in an uncomfortable position when all they had in mind was to perform a public service for the community."

"It ill behooves some member of the board of trustees to invent policy out of his head without consulting the full membership of the board," Pfeiffer declared.

Lewkowicz, gas station owner, and Don Leshner, plumbing contractor of 417 Castle street, thus far are the only candidates for the two board openings. Term of trustee Michael Callan also ends this June, but he will not be a candidate for re-election.

Recruits Sought By DC Police For Reserves

Police Chief Roland Petrocci announced today that the Daly City Police Department is seeking recruits for its Emergency Police Reserve, a new group organized last year to augment regular police strength during war-time emergencies and serious natural disasters.

The police department is now accepting applications, and men of good character and reputation who are willing to devote a few evening hours a month to classroom and field training are eligible. Successful candidates will begin a six-week, 12-hour evening course on May 6, and will receive training in police procedures, riot control, first-aid, civil defense, and firearms.

At the completion of training, members will be issued arm bands, batons and helmets, and will be assigned to one of the city's 14 disaster posts. Chief Petrocci stressed that Emergency Police Reserve Officers officers will not wear uniforms nor carry sidearms, and, except for periodic training drills, will not be called to active duty unless disaster strikes the community.

All male residents over 21 are urged to participate in this worthwhile service. Applications can be obtained at Firehouse 5, Westlake Park; Firehouse 2, Parkview and Santa Barbara; and at City Hall, 75 Wellington avenue.

Christmas Seals Raise \$86,316 In SM County

The 1958 Christmas Seal Sale of the San Mateo County Tuberculosis and Health Association closed Tuesday with total receipts of \$86,316.19, according to Martin Orloff, Daly City and Colma seal sale chairman.

This was the most successful campaign in the local group's history, representing a \$7000 increase over 1957 and a \$3000 increase over 1956, he reported.

"We are most grateful to the thousands of contributors, and to the many volunteers and to the post offices whose active cooperation contributed to this satisfying total," Orloff declared. "A vote of confidence has been given to the Tuberculosis Association; we will do our best to continue to deserve that confidence."

An increasing proportion of this year's Christmas Seal Sale will be devoted to medical research. The rest of the funds will be used for case finding, health education, rehabilitation, and community organization.

HIGH SCHOOLS HERE DUE NEW REPORT CARDS

Jefferson High District report cards, due shortly at both high schools, will have a new look this year, according to Director of Instruction John Ivan.

The new report card, a cooperative effort of the district deans and department chairmen, is slightly larger and thinner than the traditional report card in use for many years by the district. In place of a special card for each subject, which meant as many as six different report cards for every student in the district, the new report card gives the complete story of academic achievement on the one card.

The change in form does not mean a change in the grading policy. The same system of reporting will be used as previously, the difference being in the number of cards issued. Only one report card per student instead of six different report cards for each student.

The new cards are issued in quadruplicate with different colored copies for the student, the office, the counselors and the deans. Under the new system, copies are immediately available for use by the counselors either for parent consultation or to assess the student's progress, both the pattern of achievement for all subjects or individual progress in specific subjects. It is anticipated that parents will like the immediate comparison of one subject to another and see the over-all progress being made. Report cards must still be signed and returned.

State law requires that all grades be recorded on a permanent record card and be filed in a fireproof vault. The new reporting system will more than halve the time normally taken to transcribe such records, thus making more time available for personal counseling of the student.

Friends Of Library Set Reception Here For 'National Library Week'

In observance of National Library week, April 12-18, the Friends of the Daly City Library will hold a reception on Sunday afternoon, April 12, from 2 to 5 o'clock, at the Daly City Library on Mission street.

"For a Better Read, Better Informed America" is the slogan of National Library Week. More than 100 citizens' groups, business firms and foundations throughout the country have joined the American Library Association and the National Book Committee in backing this objective.

During the course of the reception a film entitled "The Book" will be shown. This film from the Encyclopedia Britannica film library shows the many talents and techniques that combine to produce a book, from the author's conception and writing through the many

techniques used in printing and publishing, down to the actual sale of the book and placing of it in the hands of its readers.

Also on display will be the set of books presented by the Friends of the Daly City Library as a gift on the occasion of National Library Week. This set consists of 40 classical and semi-classical works, which are to be placed eventually in the Westlake Branch.

Mrs. Otis Calhoun, president of the Friends of the Library, extends a cordial invitation to members and the interested public to attend the reception. The hospitality committee, under the chairmanship of Mrs. Willard Barton, will serve refreshments.

Intruder Smashes Door, Enters Home

An intruder smashed the rear basement door at the home of Betty Harris, 69 Peoria street, and gained entry sometime Tuesday while she was at work.

Upon arriving that evening she discovered that her radio was turned over, a pair of men's pants thrown to the floor and a gold wrist watch with a gold stretch band could not be located.

She called police. Officer Charles Terry responded. His investigation showed that no hand or foot marks were apparent on the door.

However, according to his report, a large paw mark was plainly visible. Further work uncovered the fact that Miss Harris owns a 90-pound German Shepherd police dog which has previously committed destructive acts in her home.

She said that she had just recently had the front garage door repaired after he chewed and clawed it apart. Officer Terry experimented and found that it was probably impossible for a human being to have entered the door through the broken panel.

HIGH SCHOOLERS

Registration Begins Next Week For Summer School At Jeff

Registration for this year's Summer School will begin next week for students presently enrolled at Westmoor and Jefferson high schools. Application forms are available from the deans and counselors at both schools.

This year's Summer School will be held at Jefferson High School, 6996 Mission street, from June 15 to August 7, inclusive. Classes will begin at 8 a.m. and terminate at noon. Bus transportation will be available for those residing beyond the two-mile limit of Jefferson High school.

According to John Ivan, director of the Summer School, this year's program will operate in four areas—remedial, make-up, enrichment and experimental. The exact subjects available in each of these areas will be determined by the demand. A minimum of 25 students will ensure the offering of any class.

Two remedial classes are planned—one in Speed Reading and Reading Improvement, and the other in Pre-Algebra. In the area of make-up, the following classes have been prepared: Civics, American Problems, Algebra 2, Biology 2, all levels of English, U. S. History, General Math, General Science and General Business.

If desired, four-hour classes give 10 units of credit, the equivalent of one year's work.

A special six-week remedial and enrichment program will be available to all district students who have graduated from eighth grades in public, private or parochial schools. Application forms will be available at the respective elementary schools within two weeks. Forms are also available at the district office, 375 South Mayfair avenue. In the remedial

Heart Assn. Resigns From United Crusade

The San Mateo County Heart Association has just voted to reaffirm its policy of an independent heart fund campaign, Dr. Leo S. Bell of San Mateo, president of the local heart association, announced today.

The association will no longer participate as a member agency of the United Fund of San Mateo County after the present 1959 allocation agreement expires.

In making the announcement, Dr. Bell said that "after careful and thoughtful deliberation, our board of directors concluded that an independent heart fund, conducted annually, would be the best way for us to finance the heart program for research, public and professional education, and community services."

"Because we are receiving only 48 percent of our total funds from the United Fund, our board of directors considered whether the balance of funds could be adequately raised within the supplemental fund-raising policies of the United Fund and not violate the spirit and intent of the United Crusade campaign," he said.

"During our six years of affiliation, the heart association has appreciated the spirit of cooperation from the United Fund," he said. In resigning from the United Fund, the San Mateo Association supports the policy adopted by the American Heart Association of non-participation in federated fund campaigns.

In the Bay Area, the remaining heart member of the United Crusade is the San Francisco Heart Association.

Bell explained that the pre-

Pharmacist Spots Forged Drug Prescription

A forged drug prescription was spotted by a pharmacist at the Westlake Medical Pharmacy, 44 Park Plaza, when a man presented an order for nembutal.

Morris T. Harris, 45, 130 Eddy street, San Francisco, entered the store last Friday evening and gave pharmacist Robert Day a prescription for the

sleeping preparation. After noting that the order was made out to C. Robbins and signed by Dr. E. Francis Eggleston, Day started to make up the preparation. However, he became suspicious when another clerk told him that Harris had recently purchased two orders of the same drug.

Day checked the central exchange and found that Dr. Eggleston died two weeks ago. He called police and the suspect fled.

Officers Bergstrom, Stables and Hansen responded. When they arrived they found that the forger had run in the direc-

tion of the Olympic Club Golf Course, where he worked as a caddy. After giving chase they nabbed him on the Olympic road.

Harris was searched and the drug found in his possession. Police investigation showed that Harris is known to the San Francisco narcotics squad.

However, direct questioning failed to draw any information from Harris due to the fact that any answers might tend to incriminate him.

Something For Everyone

By Sam Chandler
City Librarian

When the weather turns warmer, there is a surge of interest at the Daly City Public Libraries every year in books on summer sports — baseball, golf, tennis, archery, boating and swimming.

Therefore, I thought you'd like to know about the many recent books on these sports which are available at the libraries.

For the golfer, there are such newly-published handbooks as H. A. Murray's *The Golf Secret* and *More Golf Secrets*, Tommy Armour's *How to Play Your Best Golf All The Time*, Ben Hogan's *The Complete Guide to Golf*, and, lest I forget, a book by H. A. Hattstrom entitled *Golf after Forty*.

Baseball fans will be interested in seeing *Modern Baseball Strategy* by Paul Richards, who managed the Chicago White Sox and the Baltimore Orioles. Another baseball book, one that is worth its weight in gold, is *How to Watch a Baseball Game* by Fred Schwed Jr. Then there's *Winning Baseball* by Tthan Allen, *The Fireside Book of Baseball* by Charles Einstein, and a whole host of others.

Instruction books are available on tennis and archery, sports which also receive increased popularity during the summer months. Two popular titles are *Tennis Made Easy* by Lloyd Budge and *The Guide to Better Archery* by Thomas A. Forbes. A book entitled *First Bow and Arrow* has been popular with the junior set for a long time.

For swimmers there are several excellent books. Gene Stephen's *Teach Your Child to Swim* is one of the best. Other books of note are *Synchronized Swimming* by Fern Yates and *Theresa Anderson, Swim Better* by Pat Besford, and Robert Kipthuth's old favorite, *Basic Swimming*.

The library also has material on skin diving, boating, fishing, hunting, target shooting, kite flying, bicycling, mountain climbing, camping, and nearly every other summer sport.

Many sport fans have found greater success and pleasure come to the sportsman who reads a handbook before the game. Why don't you be one of them. Come to either branch of your Daly City Library and use our manuals. They have been secured for your use and pleasure.

Motor Bikes Roar Friday Night At Belmont Speedway

Belmont Speedway will stage another 12-event motorcycle racing program this Friday night, after entertaining over 2000 fans with the season opener last week.

New AMA rules have grounded young Ronnie Emmick until his 18th birthday in July, but big brother Gary starred for Menlo Park and Peninsula fans by chasing Al Gunter of Los Angeles across the white stripe in the 15-lap main event, and also winning his heat.

Trailing the elder Emmick were Don Hawley, Los Angeles; Duane Francisco, Hayward; and Dick Mann, Richmond.

Former national champion Joe Leonard, who went out with a sour bike, returns to action this week, as does a quartet from Southern California.

Starting time for the two-wheel jockeys is the same as for the auto races next Wednesday night. Qualifying at 7:30, with the first race at 8:30.

Installation of new officers will take place. Mrs. Stella Jensen, one of the founders of Jefferson High, will take charge of the installations.

Janitor Stops Burglary Try At Gateway

Burglars fled from Gateway Chevrolet when the janitor, Leon White, surprised them after they had broken a window in an attempt to enter the building at 7400 Mission street.

While White was cleaning the showroom at about 2:30 a.m. Friday he heard unusual noises followed by shattering glass.

When he ran to another room in that part of the building and turned on the light to investigate he saw a young man run to a car with its motor running and a driver behind the wheel.

The car sped out of sight, going west on Market street. White said that he was unable to note the license number.

LOCAL GIRL SCOUT COMMITTEE CITES NEED FOR VOLUNTEERS

By Servart Ojakian

District committee meeting for Daly City-Colma Girl Scouts was held Monday at the Peoria Scout House, Mrs. Verona Williams, district chairman, presided.

New district director is Mrs. Mary Commeau, who took the place of Mrs. Marty Collins. Mrs. Collins recently completed her work here as director.

Mrs. Zella Heneise, chairman of junior high activities, reported that the Girl Scouts were of service to their community by helping in the wrapping of 250 pounds of candy Easter eggs used in the Easter egg hunt last week.

Following are some of the highlights discussed at the meeting:

The necessity of all troops carrying insurance to cover accidents that might happen on outings.

There is the need for two camp directors—one for Junipero Serra Camp and one for Camp Mattrup.

Troops that would like to participate in "Pennies for Pines" may do so by donating a penny per pine tree or \$68 per acre. Re-forestation and conservation work is the chief purpose of this activity. Money may be sent to the Scout office in San Bruno.

An art exhibit of pictures of scenes unique within the community that the Girl Scouts have made will be held at the San Bruno Scout office on April 29, 7 to 8:30 p.m. Pictures selected by a jury will be sent to the Colorado Round-Up in July. April 20 is the deadline to submit pictures.

Girl Scouts will have a booth at the San Mateo Fiesta.

Girl Scout Cookie sales will be held April 3 to April 14. Girls will go house-to-house in pairs. Mrs. Harriet Hagerman is area cookie sale chairman.

Most of the profits earned from the cookie sales are used for the development and maintenance of the various camping facilities.

Mrs. Williams expressed the need for more volunteer workers in every phase of the Girl Scouting program. There are many behind-the-scenes jobs and any who are interested in giving of their services for the benefit of the Girl Scouts may contact the district chairman, Mrs. Williams, PL 5-5464.

Neighborhood chairmen in each section of town may also be contacted.

The giant "Scouts-in-Action" show will take place on Saturday, April 25, 1-4 p.m. in Daly City War Memorial building. The public is invited to attend the admission-free affair. Last year's show was attended by more than 2000 people.

Mrs. E. D. Mason New President Of Woodrow Wilson PTA Unit

Mrs. E. D. Mason was chosen new president of Woodrow Wilson PTA during its March meeting which featured election of officers to serve next school year. She will succeed Mrs. W. R. Clark.

Other new officers are: Mrs. Robert Van Zandt, vice president; Mrs. Felix Moss, secretary; Mrs. William Zimmerman, treasurer; J. S. Petersen, historian; and Mrs. Arthur Hermsillo, auditor.

These officers will be installed at the next unit meeting, April 21, at 7:30 p.m., by Mrs. Arthur Hulse, president of Jefferson Elementary School District's PTA coordinating committee.

Mrs. Mason will be the unit delegate to the state convention on May 6, 7 and 8 in Los Angeles. Mrs. Van Zandt was named as her alternate.

The March program was "Science In Action," featuring a science display from each class, with a group of pupils on hand at each exhibit to explain to parents how it worked. More than 100 parents took this opportunity to see how their children are being taught science.

The annual teachers' luncheon was served by the executive board on Wednesday, April 1, under the direction of Mrs. John Williams, hospitality chairman.

Insurance Savings Due Drivers Here

Savings of from \$20 to \$74 can be had on automobile insurance rates by residents of San Mateo County under the new Safe Driver Insurance Plan, according to the National Bureau of Casualty Underwriters.

It was pointed out that in the new rate schedules, which take effect May 1, car owners with a three-year record of no accidents or moving violations will be entitled to a flat 20 percent reduction in their premium cost.

On the other hand, the report continues, those families with a member using the vehicle who has been involved in a collision or convicted of a traffic violation will be subject to higher payments.

This added "penalty" cost can range up to a 100 percent increase.

The report showed that a family here owning a popular priced car which is insured for \$10,000 per person, \$20,000 for accident bodily injury liability, \$5000 property damage, \$500 medical payments and \$50 deductible collision coverage will have to pay only \$105.20 if they are now paying \$135.20, presuming that they meet the qualifications for reduction.

These depend on no accidents or violations and no driver of the car who is under 25 years of age.

If there is a driver under 25, the savings will be even greater. Then a premium of \$368.40 would cost only \$296.

This new plan will have a wide applicability due to the fact that over 200 insurance companies operating in California are expected to adopt it.

Plan 'Downtown Chapel' In SF Finance District

The Rt. Rev. James A. Pike, Episcopal Bishop of California, has announced plans for the Diocese of California to open a "Downtown Chapel" on the main floor of the Mills building in San Francisco.

The purpose of the chapel is to provide weekday worship and counsel for persons of all faiths in the financial district. It will be known as the Cathedral Chapel of St. Francis and will be served by a member of the Cathedral Staff. The Rev. Henry P. King Jr., now assistant at St. Paul's, San Rafael, will be vicar. He will be installed shortly as Canon Missioner of Grace Cathedral.

Plans call for three services each working day. They will be held before the working hours, at noon, and after offices close. Clergy of various faiths will be heard in short sermons at noon.

The chapel will have no members or other marks of a parish. It will seek to strengthen

State 'Hears' Drivers Who Are Reckless

Reckless drivers who are being called in for hearings before driver improvement analysts of the Department of Motor Vehicles, many of whom probably will have their licenses suspended, will be accorded full "due process of law."

These drivers will have 14 days in which to appear for hearings, which are being set up in the individual's county of residence, at the point closest to his home.

On the day and hour which has been set for the hearing, the summoned driver will sit down with the analyst, and together they will review the record.

After the hearing, the analyst will make his recommendation which, under DMV's new violator program, probably will be for suspension of the driver's license, if his violation count for the last 12 months has been four or more.

The field analyst's recommendation then goes to Sacramento headquarters of the department, where it will be reviewed by still other driver improvement analysts. The reason for this is obvious. The review is a kind of precaution against any possible bias that might have influenced the original analyst's decision.

In all fairness to the offending driver, DMV studies very carefully its field analysts' reports of hearings, and weighs their recommendations before actually instituting suspension action against a person.

After an analyst's recommendation is accepted, an order is written and mailed to the offending driver, informing him that his driving privilege has been suspended, effective as of a certain given date.

The only appeal from such an order of suspension is through the courts.

DRINKING DRIVERS

During 1958 the California Highway Patrol made 13,103 arrests for driving under the influence of alcohol, reports the National Automobile Club. This represented an increase of 199 over arrests made during 1957.

the spiritual needs of those in attendance.

According to Bishop Pike, the vicar will be available for individual counseling throughout the day.

The chapel is to be financed in part by a grant from the National Episcopal Church, from Cathedral funds at the disposal of the bishop and from voluntary contributions. Charles Walczak is chairman of the finance committee.

General administration will be under the Bishop and Archdeacon of the diocese, the Dean and Chapter of Grace Cathedral and a committee of laymen, which will include non-Episcopal members.

Intermediate Scouts will put on a fashion show of camping clothes.

There will be a play on conservation, an Indian song with motions, and a skit on the Girl Scout laws.

This Week's News Column For Veterans

Q—My World War II permanent GI life insurance policy lapsed two months ago and I am making application to VA to reinstate it. Must I pay interest on my premiums in arrears when I send them in?

A—Not if your application and the premiums in arrears are submitted to VA within three months of the due date of the first premium you missed. Interest is charged only if application is made after three months from date of lapse.

Q—I get two VA benefits: my monthly training allowance, and compensation for a service-incurred disability. Do I have to report either on my 1959 Federal income tax report?

A—No. Veterans benefits are tax-free. Interest on GI insurance dividends left with VA on deposit, however, should be reported.

Q—My father died as a result of war service, and I am eligible for schooling under the War Orphans program. If I should go into military service, could I take my War Orphans training in uniform?

A—No. Under the law, persons in military service may not receive War Orphans schooling. You would have to wait until you were discharged before you could enroll.

Q—I have a service-connected disability. Can my family doctor treat my disability and send his bill to the VA?

A—If he has prior approval from VA, yes. Under law, that is necessary before he may treat your service-connected condition at Government expense.

GI Insurance Dividends Can Pay Premiums

Veterans who expect to receive dividends sometime this year from their GI insurance policies, but have no need for emergency cash, were reminded today by San Mateo County Veterans' Service Officer Floyd D. Granger that the dividend money can be put to other good uses to the veteran's own benefit.

The GI insurance policyholder may, for instance, write to the VA Insurance Center at Denver, Colorado, and ask that the dividends be held — with interest — as a credit to pay his monthly premium in case he fails to pay it before the end of the 31-day grace period.

Or he may want to direct the Veterans Administration to use the dividend in paying premiums ahead of time, since the Veterans Administration offers a discount on premiums paid three or more months ahead.

Holders of permanent plan GI insurance have an additional option which is not available to term policyholders. They may authorize the Veterans Administration to hold dividends on deposit, with interest and subject to withdrawal at their request. If not withdrawn, the money — plus interest — will increase the value of the policy.

The interest under either the dividend deposit or the dividend credit option is taxable and must be reported annually on federal income tax returns, but the dividends themselves and all policy proceeds are not taxable.

Marriages, divorces, births or deaths may have occurred since the veteran made out his beneficiary list, and the veteran may want to change it accordingly. He should notify the Veterans Administration, as the agency is required by law to pay insurance proceeds to the beneficiary of record, whether or not that person is still in any way connected with the veteran.

'HAWAIIAN HOLIDAY'

Booth Construction Gets Rolling For OLM's Big W'lake Festival

Construction and decoration plans are well under way for Our Lady of Mercy's big Westlake Festival to be held April 30, May 1, 2 and 3.

Construction chairman George Bigon and Marty Nejmich, together with their crew of Jack McKenna, Paul Churchwell and George Hemmerle, to name but a few of the gang,

are starting work on the reconstruction of the 17 booths to be set up in one parish hall.

This year's change of theme to "Hawaiian Holiday" has meant a major changeover for the decorations committee, but chairman Ed Cuevas, who is by profession a commercial artist, is confident that his committee will meet the challenge. Ed is assisted by Floor Chairman Vic Sariotti and has two very good right-hand men in Dario Boccio and Frank Ketchava.

Festival Chairman Frank Clifford and his co-chairman, Mrs. Robert Markey, have picked an excellent team to set the stage for this important festival for which members of Our Lady of Mercy Catholic Men's and Women's Clubs have been preparing since September of last year.

Proceeds of the festival and the pre-festival activities are destined to aid Our Lady of Mercy building fund program's main objective — the construction of a greatly-needed additional school building.

Two pre-festival activities are slated for this weekend, an "Alarm Clock Canasta" card party on Friday, May 3, in the parish hall, and a dance, "Hawaiian Holiday Frolic," on Saturday, May 4, at Westlake Auditorium.

The California Historical Society headquarters are in an 1896 mansion at 2090 Jackson Street, San Francisco.

Carlson Versus Simons In DC Prep Opener

SENIOR Dave Simons (left) draws Westmoor's league-opening mound assignment this Friday afternoon when the Rams open their Peninsula League quest by hosting Jefferson's always tough Indians. Coach Rod Losberger (center) will pitch Bob Goodwin (right) next Tuesday when Westmoor meets San Mateo down south.

THE RECORD photo

Veteran - Shy Tribe Invades Westmoor For League - Lifter

Senior righthanders Walt Carlson and Dave Simons will toe the rubber this Friday afternoon in the Peninsula League varsity baseball opener between Jefferson and Westmoor.

The contest begins at 3:15 o'clock on the Westmoor diamond.

On paper, the two Daly City squads are a contrast. Coach Steve Mezera has one of the weakest (veteran-wise) squads in recent Jeff history, while Coach Rod Losberger's Rams, though young, are well equipped. Both squads, however, could be right in the thick of the pennant chase.

Peninsula sports scribes figure South City and San Mateo are the top teams to beat (off last week's South City Invitational Tourney), and Westmoor and Jeff are tabbed for the first division.

The loop, however, doesn't appear to have one outstanding squad and anything could happen. Defending champ Capuchino still has the league's best pitcher, senior southpaw Daryl Weber, target of several big-time scouts.

Hillsdale, Burlingame and Mills are "unknown" quantities at this stage.

Jeff's lineup features six starting seniors, led by hard-sticking catcher Jerry Kennedy and first baseman Roy Reitz, '58 regulars.

Mezera's mound staff has yet to prove itself. Carlson saw only limited duty last year. Juniors Don Staff and Len Anderson also will go for Jeff on the mound. Mezera may have to use senior centerfielder Bob Strassburger and lefty Reitz as pitchers should Carlson and Staff fail to come through.

Westmoor has two strong starting hurlers in Simons and Bob Goodwin. Both finished strong last season and each has faced pressure. Ram catcher Tom McHugh might be the best hitter in the league. The big junior should go all the way to the pro ranks.

Westmoor has plenty of power with McHugh, third sacker Eddie Berg, and out-

fielders Terry Christman and Barry Krohn. The latter pair are sophomores with outstanding ability.

Jeff's starting lineup will find Kennedy behind the plate, Reitz at first, junior Carl Keeling at second, junior J. B. Berry at shortstop, and junior Rich Mortola at third. In the outfield, left to right, will be senior Vic Lewkowicz, Strassburger, and senior Ron Kalinin. Senior infielder Bud Callaghan was dropped from the team last week for disciplinary reasons.

Westmoor will start McHugh, junior Bill Dougherty at first, junior Jim Heick at second, junior Danny O'Connor or Billy Hix at short, and Berg at third. Christman will be in left, junior Bill Reynolds in center, and Krohn in rightfield.

Losberger has a good relief hurler in Dick Reese. Ross Holmgren, a senior, will be the Rams' top utility man in the outfield.

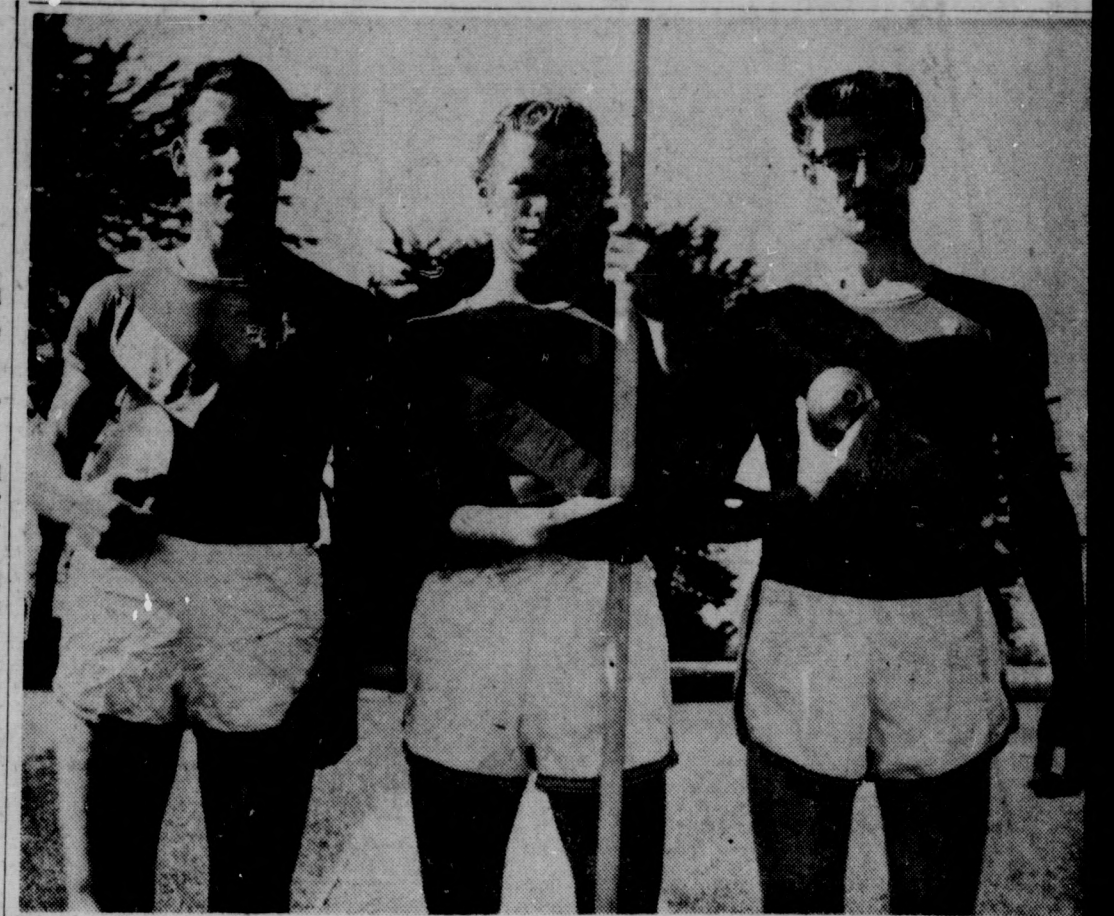

Jeff, with only one victory in eight practice games, has improved steadily. After losing their SSF tourney opener to champion St. Ignatius by only one run, 4-3, the Indians went on to beat Capuchino, 7-5, in the consolation round of the tourney. Staff went the route against the Cap squad as Jeff played its best thus far.

Jeff's final tourney game with Serra here Saturday was rained out. St. Ignatius went on to win the tourney by beating San Mateo, Saturday in SSF.

Westmoor, entering a final practice game with Sacred Heart early this week, had six wins in 10 practice games. The Rams have lost only twice. Two of their games ended in ties.

In other league openers this Friday, San Mateo is at Capuchino, Burlingame invades South City, and Mills travels to Hillsdale.

Next Tuesday, Westmoor meets San Mateo down south and Hillsdale invades Jeff.

Jeff Tracksters Open League Against Mills

Mills High's thinclads invades the Jefferson High oval this Friday afternoon when Coach Bob Watt's Indians open their 1959 Peninsula League dual meet campaign. Starting time is 3:15 o'clock.

Jeff took third in league dual meet standings last year and finished third behind San Mateo and Capuchino in the championship meet. This season Watt's forces are rated with San Mateo, Cap and Westmoor as the top track squads on the Peninsula.

WESTMOOR LOSES TWO REGULARS VIA 'CONDUCT'

Westmoor High's Peninsula League baseball opener with Jeff this Friday afternoon at Westmoor will be marred by the absence of third baseman Eddie Berg and catcher Tom McHugh from the Ram lineup. Berg, a senior, was cut from the squad Monday by Coach Rod Losberger for "disciplinary reasons." McHugh, one of the loop's most promising performers, has been benched due to similar difficulties.

Minus McHugh, Berg and centerfielder Bill Reynolds (he had a bad cold) Tuesday, Westmoor lost its final practice game to Sacred Heart, 5-2, at Funston park. Bob Goodwin held the parochial nine to four hits over seven innings. Five Ram errors made the difference. Westmoor got only two hits off three SH pitchers.

Soph Billy Hix will be at third for the Rams this Friday. Eddie Walthard will replace McHugh behind the plate.

Midget Baseball Tryouts Saturday At Westmoor High

The PAL Yankees midget baseball team will hold tryouts this Saturday at 1 p.m. at Westmoor High School diamond for all Daly City boys ages 8 to 11.

Manager Roger Kucich urges a big turnout to give him a sufficient squad for the coming league season.

The Tribe cindermen scored a first in the distance medley at the Easter Relays in Palo Alto last week. Jeff also took a second in the sprint medley event, won by Miramonte High, paced by Dixon Farmer's sensational anchor time of 1:54.6 in the 880.

Watt's winning distance medley unit consisted of Charles Rivera in the mile, Dan Whitney in the 1320, Gil Moreno in the 880, and Ted Sailor in the 440. In the sprint medley, Jeff had Len Lamendola in the quarter mile, John Margaroni and Pete Garcia running 220 laps, and Felix Valdez anchoring in the 880.

Leading Jeff in dual meet competition will be Lamendola in the 440, 220 and 880 relay; Garcia in the quarter mile, Valdez in the 880, Rivera in the mile, Art Banos in both hurdles, Jim Drake with the discus and shot put, and pole

vaulter Mike Pechina. Pechina and Westmoor's Dave Vogt should be the best in the league.

Margaroni pulled a muscle in the Easter Relays and may be handicapped for a few weeks in the 100 and 220 of Watt's varsity.

Jeff's top B performers are Art Bilkey in the 150 and 300 runs and Joe Vaez in the 132 Ray Javier is a top competitor for Jeff's C's. He runs the 75 and 150 dashes, the relay and puts the shot.

PETE GARCIA SELECTED FOR PREP CLASSIC

Peter Garcia, Daly City two-time All-Peninsula League football player, has been named to the West roster at an exposition for the annual 20-East-West prep grid game this summer at Kezar stadium, San Francisco.

The 28-man West squad coached by Milt Axt of Palo Alto and Joe Marvin of Poquos.

The West roster included five Peninsula League players, (Garcia, South City's Bill Dawson, San Mateo's Steve Player, Burlingame's Steve Olds and Hilldale's Dick Henander), nine from San Francisco's AA, three from the South Peninsula League, six from Santa Clara Valley, two from Marin County, and three from the Catholic Athletic League.

Garcia stands 6-1 and weighs 198.

Westmoor, Jeff Golfing Schedule

Westmoor and San Mateo High's varsity golfers clashed Tuesday down south in Peninsula League battle of title contenders.

Jeff High's squad faces Hillsdale next Tuesday at Lakewood. The Indian starter are George Ambrosio, Mik Molinari, Blaine Wegley, Jeff Pearlman, Bing Zupanich and Ron Johnson.

GLOBE KEGLERS INCH CLOSER TO FLORISTS

Paul's Flowers' leadership in the DC-Colma League at Brentwood Bowl was cut to 1½ games Tuesday night as the front runners lost two games to Gigli Plumbing.

Globe Tavern moved closer to the top by blanking Ruby Brand. Vince and Fred's swept three games from Bill's Chevron to stay in third place—only two games out.

Globe was paced by Al Pettigrew, Tony Santos, John Bottaro, Otto Schramm and Eli Black. Ron Whitley led Paul's with a 505 series. Ralph Matteucci and John Palazzari sparked Vince and Fred's.

Title - Minded Ram Thinclads Open In Mateo

Coach Ernie Ribera's Westmoor High tracksters open what could be a championship Peninsula League dual meet season this Friday down south against San Mateo's powerful Bearcats.

Ribera, his varsity led by blazing Dave Dunbar in the half mile, figures his Rams, San Mateo, Capuchino and Jefferson will battle down to the wire this season for the title.

Dunbar, a spirited senior, is one of the best 880 prep runners in the nation. His best to date is 1:56 flat, only four seconds off the United States record set a few years ago by Don Bowden of San Jose.

Westmoor's other top varsity point getters are Bruce Ryner and Rich Blakemore in the 880. Jed Cyr in the 440 and half mile, low and high hurdler Rich Burnham, pole vaulter Dave Vogt, and 100 and 220 corner Mike Joseph. The Rams are shy only in the sprints and in the field events.

Last week in the Easter Relays at Palo Alto, Westmoor won the two-mile relay (Cyr, Blakemore, Ryner, Dunbar), took second in the distance medley (Joseph, Mike Young, Ed Dowdall, Lanny Buccelli), and Burnham was third in the high hurdles.

The Ram varsity won but two of six league dual meets last year. This time Westmoor could go all the way and Dunbar will have the eyes of all track followers on him each outing.

The winners got eight hits off two DC hurlers, Reardon and Thuermer. Third sacker Joe Oliveria got three of Daly City's six hits. He stroked a homer and two singles.

Manager Tony Santos used 14 DC players as he attempted to find the combinations for approaching midget league play.

HANDICAP AFFAIR

Westlake Bowl's First Tourney Sends Teams To National Event

Another first will be registered at Swanson's Westlake Bowl this Saturday afternoon when the first tournament to be held since its opening starts at 3:30 o'clock.

With four squads of 16 teams each scheduled to take to the lanes on Saturday, April 4, and April 11, the teams all are looking ahead to regional and national competition. The occasion is the Westlake eliminations for the National Bowling Proprietors Association National Team Handicap tournament to be held in Northbrook, Illinois, on July 18 and 19.

Unlike most highly publicized tournaments which are "scratch" events and are usually won by the well-known championship bowlers of the country, this tournament is a handicap affair with each team receiving a handicap with the number of pins being determined by the current averages of the team members.

For the first time in the history of the tournament, region-

al eliminations are being held in four locations throughout the country. The western states eliminations will be held at the San Francisco Sports Center from May 16 to June 21. In order to regulate the number of teams in this highly successful tournament, each bowling establishment is limited to one entry in the regionals for each six lanes.
